

Knowledge Organiser	Subject: Design and Technology	Topic: Carnival Picnic	Year: 1
----------------------------	---------------------------------------	-------------------------------	----------------

<u>Key Knowledge</u> <u>Technical knowledge I have already learnt about picnics.</u> What is a Picnic? A picnic is a fun way to enjoy a meal outside, usually in a park or garden. It's like having a little party in the fresh air! Instead of eating at a table, we spread out a blanket on the grass and enjoy our food together. What makes a picnic special is that we can be in nature, playing games, and spending time with our friends and family. Why Do We Have Picnics? We have picnics for lots of reasons: 1. Fresh Air: Being outside is good for us! We can breathe in the fresh air and enjoy the sunshine. 2. Fun Time Together: It's a great way to spend time with family and friends. We can talk, laugh, and play while we eat. 3. Different Food: Picnics let us enjoy yummy foods that we might not have at home. Think of sandwiches, fruits, and snacks! 	<u>Key Learning</u> What is a Carnival? A carnival is a special event where people come together to celebrate, have fun, and enjoy themselves. It's like a big party in the street, filled with music, dancing, and games. Imagine a festival where everyone joins in and shares happiness! Where Do Carnivals Happen? Carnivals can be found all over the world! Different countries have their own special ways of celebrating. For example: • Rio Carnival in Brazil: This is one of the biggest carnivals in the world, where there are giant parades with colourful floats and people dressed in amazing costumes. • Notting Hill Carnival in London: This is a very famous carnival in England that celebrates Caribbean culture, with lots of music, dancing, and delicious foods. Why Do We Celebrate Carnivals? Carnivals are celebrated for different reasons: • Tradition: Some carnivals are based on old customs and stories. Think of them like yearly adventures where the same fun and joy return! • Community: They help bring people together as a community to celebrate who they are and where they come from. • Fun and Entertainment: Everyone loves to enjoy themselves! Carnivals have games, rides, yummy food, and lots of laughter. What Do We Need for a Carnival Picnic? When we think about a picnic, we need to prepare a few things. Here are some examples of what we might need: • Food: Fruit, Crisps, biscuits • Drinks: Water, juice, or smoothies. • A Blanket: To sit on the ground and keep our clothes clean. • Games: A ball, a skipping rope, or other fun things to play with. • Safety Items: Sunscreen and a hat to protect us from the sun.	<u>Disciplinary Skills</u> • Generate ideas through brainstorming and identify a purpose for their product. • Draw up a specification for their design. • Select appropriate materials, tools and techniques. • Use skills in using different tools and equipment safely and accurately. • Evaluate a product against the original design specification. <table border="1" data-bbox="1218 555 2145 1469"> <tr> <th colspan="3">Key Concepts</th></tr> <tr> <td data-bbox="1218 632 1525 1469"> Design- Design purposeful, functional, appealing products for themselves and other users based on design criteria. Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology. </td><td data-bbox="1525 632 1839 1469"> Make- Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing] Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics. </td><td data-bbox="1839 632 2145 1469"> Evaluate – Explore and evaluate a range of existing products. Evaluate their ideas and products against design criteria. </td></tr> </table>	Key Concepts			Design- Design purposeful, functional, appealing products for themselves and other users based on design criteria. Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.	Make- Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing] Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.	Evaluate – Explore and evaluate a range of existing products. Evaluate their ideas and products against design criteria.
Key Concepts								
Design- Design purposeful, functional, appealing products for themselves and other users based on design criteria. Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.	Make- Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing] Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.	Evaluate – Explore and evaluate a range of existing products. Evaluate their ideas and products against design criteria.						

Key Vocabulary	
Carnival	An annual festival, typically during the week before Lent in Roman Catholic countries, involving processions, music, dancing, and the use of masquerade.
Picnic	A picnic is a meal eaten outside, typically in a scenic location.
Location	A particular place or position.
Taste	The sensation of flavour perceived in the mouth and throat on contact with a substance.
Texture	The feel, appearance, or consistency of a surface or substance.

Linking Thinking Across Our Learning Journey						
Early Years	Year One	Year Two	Year Three	Year Four	Year Five	Year Six
	Carnival picnic	Perfect pizzas	Seasonal food	American Food	Bread	Burgers
