

BLACK HISTORY MONTH CULTURAL HERITAGE

For Black History Month we are exploring our cultural heritage and celebrating what is important to us and what we are proud of. Cultural heritage is the shared traditions, customs, stories, and history that are passed down from their family and community through generations, like a special "treasure chest" of knowledge and experiences.

CHOOSE 2 OPTIONS BELOW:

- Create a diorama related to your culture . This could be a famous building or a symbolic item.
- Create a fact file or poster about your cultural heritage.
- Draw something significant from your cultural heritage.
- Draw yourself wearing your traditional clothing.
- Write a fact file about a significant person from your cultural heritage.

If you have any photographs or items from your cultural heritage and would like to bring them in to be used for the UMOJA event, please bring these in.
