

RIVAL TRIBAL SONG

WANNAPEEPEES

- 1a Wanna-wanna-pee-pee,
Living free 'n' easy,
Underneath the trees in Mambica.
Never in a hurry,
Haven't got a worry,
Hanging out together in Mambica.
- 1b You're so-pongi-pongi,
Work too longi, longi.
You're completely wrongi
Thinking that you're better than everyone!

SOPONGIS

- 2a Wanna-wanna-pee-pee,
Always half-a-sleepy,
Underneath the trees in Mambica.
All of you are lazy,
We are going crazy
Having you as neighbours in Mambica!
- 2b Oh, so-pongi-pongi,
We're more strongi, strongi,
Live so old and longi,
Working for a future for everyone.

Repeat whole song as a 2-part round with Wannapeepees going back to top first. Sopongis start 2a when Wannapeepees reach 1b. Finish on 1a/2b.

(NB The 2-bar musical fill after 1b and 2b does not features when the song goes into a round.)

Last line:
Hanging out together in Mambica!
