

Shepherds' song

Come with us, come and celebrate.
Hurry on down, don't wanna be late.
Oh, oh, get up and go.

Angel choir singing "don't be afraid,
We bring good news of the birth of a babe".
Oh, oh, get up and go.

Leave the fields; go to Bethlehem:
We'll never see such a day again.

*Oh, oh, get up and go, get up and go.
Oh, oh, get up and go, get up and go.*

Peace on earth, goodwill to all.
A saviour's born in a manger stall.
Oh, oh, get up and go.

He's chosen us, calls the weak and poor
To see God's glory here through heaven's door.
Oh, oh, get up and go.

Leave the fields; go to Bethlehem:
We'll never see such a day again.

*Oh, oh, get up and go, get up and go.
Oh, oh, get up and go, get up and go.*

(Instrumental)

*Oh, oh, get up and go, get up and go,
Oh, oh, get up and go, get up and go.*
