

FATHER CHRISTMAS, SANTA CLAUS

Words and Music by Matthew Crossey

- 1 Who's that up in the sky
With the reindeer and the sleigh?
It's that time of year when Father Christmas is on his way.
With his bright red suit and his shiny black boots
And his beard that's white as snow,
I hope that you've been good this year,
'Cos Father Christmas is sure to know!

CHORUS *Father Christmas, Santa Claus,
Is coming down a chimney
Just like yours.*

- 2 Who's that out in the snow
With the presents for everyone?
It's that time of year when his journey has just begun.
With his bright red suit and his shiny black boots
And his beard that's white as snow,
I hope that you've been good this year,
'Cos Father Christmas is sure to know!
