Monday 30th March

Dear Year 2,

It's me, Louie the furry, cheeky orangutan! I hope you're well and keeping busy safely at home.

I thought I'd write to you to let you know that I am home safe and sound at Marsh Green Primary School with Miss Barritt and Mrs Jones. Miss Barritt was so relieved to see me safe and well! Thank you for all of your letters, I hope you enjoyed reading the postcards that I sent you while I was on my travels.

Daniel, you were right – Miss Barritt was so jealous that I got to experience so much tasty Italian food. My favourite was the pizza! To answer your question Albab. YES... the blue, powerful waves at Norfolk beach did scare me at first! The noise was a lot louder than I expected but I soon got used to it. Lily you asked if I made friends; well I certainly did. I made a friend called Mo; he is a beautiful, elegant seagull and we met while I visited Norfolk.

I look forward to hearing from you all soon!

Take care and don't forget to check your class webpage for tasks that you can complete at home.

Your friend,

Louie the orangutan
