

The Mysterious and the Magical

Use your exercise book to complete the following tasks:

Task 1

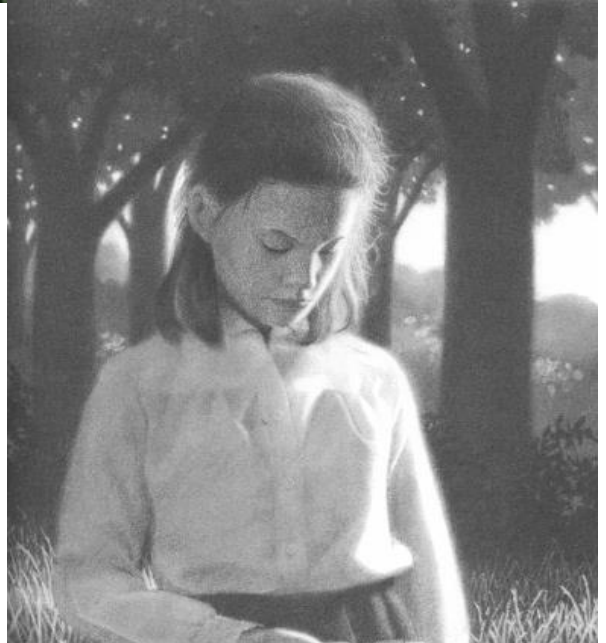

- a) What comes to your mind when you think of mystery and magic? (Write the first three things that you thought of)
- b) Research and find out about magical and mystical characters.

Task 2

Look at the images below.

- a) Note down some descriptive words that come to your mind when you look each image.
- b) The next task is to write a paragraph about each mysterious character. Do not forget to describe the characters in **detail**.

For example - Think about what job the characters could have? How old are they? How do you know? Are they good or evil? Why do you think this?

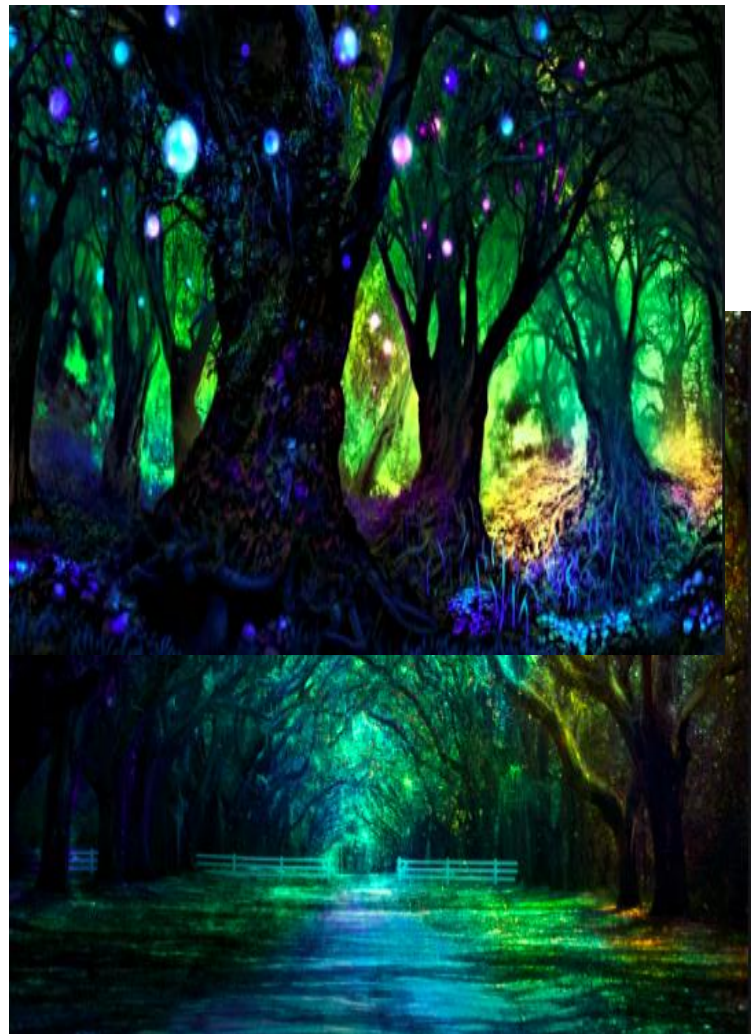

Task 3

Have a look at the images of some magical and mysterious settings below.
Can you describe each image?

Extension task - Can you link the characters with these settings? Do any of the characters live here or are they visiting? Who lives here? Where is it set? Is the inside how you would expect it be?

Challenge

- Create your own mysterious character. **What is the character's story?**
- Create your own mysterious and magical setting – You can use either paper and pencil or any other materials you can find. Try to be creative.
