

EVERY CHRISTMAS

1 Every Christmas we remember
Baby Jesus born to the world.
For this reason each December
Is a special time for us all.

2 Every Christmas we partake in
Fruit and biscuits, pudding and pies.
But when all the food is eaten
There's a message true for all time.

CHORUS

*So sing a song – everyone celebrate!
The time has come – this is a special date.*

3 Every Christmas we're all busy
Buying gifts and seasonal cards.
But behind this old tradition
Lies a present come from the past.

4 Every Christmas we have pleasure
Seeing all the glitter and lights.
But there is a brighter treasure
To be found in Jesus Christ.

CHORUS

5 Every Christmas there are parties,
Fun and laughter, music and games.
But the best place we can start is
Finding Jesus once again.

CHORUS

6 Every Christmas we remember
Baby Jesus born to the world.
For this reason each December
Is a special time for us all.
