

PE & Sport Premium Impact Report 2025–2026

Marsh Green Primary School

Funding Received

Marsh Green Primary School received £18,950 of PE & Sport Premium funding during the 2025–2026 academic year. This funding is used to improve the quality of PE, school sport and physical activity, helping every child to enjoy an active and healthy lifestyle.

How the Funding Was Spent

Area	Amount
Extra-curricular opportunities	£7,724.46
Equipment & resources	£3,202.11
Memberships	£553.50
External competitions	£70.00
External coaching	£7,527.26
CPD	£0.00
Swimming CPD	£0.00
School Games Organiser	£0.00
Total	£18,950.00

Impact on Pupils

- Greater participation in extra-curricular clubs across a wide range of sports.
- Improved quality of PE lessons through specialist coaching.
- Increased opportunities to compete in local sporting events.
- High-quality equipment has enhanced learning and engagement.
- Improved confidence, teamwork, resilience and enjoyment of physical activity.
- Targeted support ensured girls, disadvantaged pupils and pupils with SEND accessed sporting opportunities.

How We Will Sustain These Improvements

- Maintain investment in high-quality equipment.
- Continue specialist coaching and staff support.
- Offer a varied programme of clubs and competitions.
- Maintain inclusive opportunities for all pupils.
- Promote healthy lifestyles through PE and active play.

Swimming & Water Safety

National Curriculum outcomes for the current Year 6 cohort:

Requirement	% Achieved
Swim 25 metres confidently	35%
Use a range of strokes effectively	15%
Perform safe self-rescue	5%

No PE & Sport Premium funding was used to provide additional swimming lessons during 2025–2026; therefore there was no direct impact on swimming attainment.

'Helping every child to be active, healthy and successful.'
